NEW

Named after Francesco Redi, a versatile scholar who is considered one of the founders of modern medicine and biology and strong advocate of the extraordinary properties of our Montecatini waters. The building has been recently renovated and houses 66 rooms for mud and bath treatments, hydro-

massages, ozonated bath therapy, masso-therapy and physiotherapy. It also offers the brand-new inhalation therapy department, and another department divided into three parts, with bathtubs, couches and advanced equipment specially made for Terme di Montecatini.
